

# LYDIA BLUNIER

## VOLUNTEER COORDINATOR

Lydia first volunteered at Fairview Haven in 2018 as a Junior Volunteer doing activities with residents and is grateful and surprised to now return as the Volunteer Coordinator. Her work experience in childcare and customer service have shown her that no matter what she is doing, she finds purpose in helping people and making them feel supported, understood, and cared for.

As the Volunteer Coordinator, Lydia is able to put this passion into practice by supporting volunteers, answering questions, and striving to make the Fairview Haven experience as smooth and enjoyable as possible.

Lydia's personal relationship with Jesus and His direction in her life is the driving factor in encouraging her to step into this position and her #1 desire is to glorify Him in it.

Lydia grew up in the Fairbury area as the oldest of six children. She is married to her best friend, Jared, and they live in Fairbury. Outside of work, Lydia loves to live life alongside Jared, camping, listening to music, and spending time with family and friends. She values compassion, kindness, and a willingness to serve, all of which display the love of Jesus. She is grateful for the Fairview Haven community, whose desire is not only to help people but also to share the love of Christ with each one.
